

**Job title: Occupational Therapist, Mobility Clinic**

**Posting Start Date**

02/22/2021

**Posting End Date**

03/01/2021

**Work Type**

Full-Time Temporary

**Salary Range**

\$38.21 - \$47.69 per hour

**DUTIES & RESPONSIBILITIES:**

Provision of Occupational Therapy to promote, maintain or restore health and wellbeing through engagement in meaningful occupations in the areas of self-care, productivity and leisure. Occupational therapy services will include assessment, treatment, consultation, discharge planning and education to patients, family members/caregivers, external agencies and SMH staff.

- Managing an outpatient caseload, including referrals from the weekly Hand Clinic and additional Mobility Clinics (ie. Plastics, Orthopedics and Theumatology)
- Able to work effectively as a member of an inter-professional team, collaborating with other disciplines to provide comprehensive patient care
- Contributes to the academic mandate of the organization as an educator, resource or support for staff, students and members of the academic and professional community
- Identifies and addresses educational needs for patients and their families
- Provides consultation to inpatient health care colleagues
- Demonstrates commitment to ongoing professional development in order to continue to provide optimal patient care
- Is committed to, and participates in, ongoing quality improvement in the organization
- Provides patient care in accordance with all professional and organizational standards

**QUALIFICATIONS:**

- Must have a Master's degree (or equivalent) in Occupational Therapy and a minimum of 2 years clinical experience
- Must be currently licensed by and in good standing with the College of Occupational Therapists of Ontario (COTO) for practice in all applicable clinical areas.
- Current CPR certification
- Certification in hand therapy preferred or a minimum one year experience with patients requiring hand therapy
- Demonstrates commitment to professional development through attendance at post graduate courses specific to hand therapy
- Excellent communication, critical thinking and interpersonal skills

- Proven flexibility and adaptability in a fast-paced environment
- Excellent time management, organizational and prioritization skills as relates to patient care
- Demonstrated commitment to and involvement with own profession - membership with CAOT and or OSOT preferred
