

## Hand & Upper Limb Therapist – Vancouver, British Columbia

healthOne Physiotherapy and Hand Clinic is looking for inspired new talent! We're a physiotherapist-owned private practice that provides individualized, multidisciplinary and multimodal treatment combined with patient-centered goals to achieve maximum function and optimal health.

We currently have full and/or part-time **Hand & Upper Limb Physiotherapist or Occupational Therapist** opportunities at all three of our locations: *Vancouver, Surrey and Mission, British Columbia.*

Being a multidisciplinary company, many of our practitioners have completed post graduate certifications in their areas of special interest, including manual orthopaedic physiotherapy, certified hand therapy (CHT), sports therapy, orofacial/TMD, fascial manipulation, vestibular rehab and RMT. We offer a team approach, with plenty of opportunity for collaboration / mentoring in many of these specialty areas. Not yet a certified hand therapist? We offer formal Fellowship and Mentoring programs to help you achieve your professional goals. Just ask how we can help.

### ***Our facility and other perks:***

- Full caseload – right away
- Open hand treatment area with easy access to splinting/wound care supplies, whirlpool and gym equipment
- Private treatment rooms
- Full reception and billing services
- Therapy Assistants who are there to make your job easier
- Web-based online clinic software system, aka 'Jane', for patient charting & appointment booking (i.e. chart from home!)
- Telehealth treatment option
- Modern equipment and state-of-the-art modalities like Shockwave Therapy
- Open 6 days/week with flexible work hours
- Staff room with kitchenette
- Regular clinic educational meetings to keep you on top of the latest evidence-based treatments
- Frequent social events and lots of FUN!

We offer a very competitive compensation package (> \$100,000 a year), continuing education support and a signing bonus. Relocation allowance available. You can work on salary or as an independent contractor. We also offer an Extended Health Benefits package.

### ***Successful applicants must have:***

- Registration with the College of Physiotherapists or Occupational Therapists of BC (in good standing) OR eligible to register
- Minimum of two years from graduation
- Preference for Certified Hand Therapists (CHT) but not a must as we can provide training

Check us out at [www.healthonephysio.ca](http://www.healthonephysio.ca) and see if you're a good fit for our family. We believe in getting the job done with smiles and laughter along the way.
