

Physiotherapist/Occupational Therapist CHT career opportunity in West Vancouver, BC.

We are inviting applications from enthusiastic and experienced Certified Hand Therapists to join our dynamic team at Hollyburn Physiotherapy Clinic in West Vancouver, British Columbia which has been providing exceptional care to our community for over 50 years.

Our current OT/CHT has been with us for over 20 years and has developed a stable caseload and a strong referral base with a lengthy waiting list. She is very open to supporting an incoming CHT to our practice as she is considering phasing out of practice over the next couple of years.

We are seeking someone with availability to work 3-5 shifts per week to take on an active and very full caseload with interest in providing Certified Hand Therapy care in a supportive clinic environment. This individual should be passionate about forming therapeutic alliances with their clients to enhance their care as well as managing relationships with referring physicians and specialists.

Our clinical team also includes a roster of experienced physios trained in Clinical Pilates, manual therapy, women's health, pelvic floor, IMS, BPPV, and post op Orthopaedics.

Our front desk staff is second to none and takes care of all of your front office needs allowing you the freedom to treat patients and to chart electronically. We have a fully equipped gym, a Pilates Reformer and views of the ocean and Stanley Park. We are 1 block from the West Vancouver seawall and accessible by public transportation. There is free street parking nearby.

We are fully committed to continuing education and host monthly inservice education for our staff.

Please forward your resume and cover letter to Gail Pateman at gpateman@hollyburnphysio.com
