

Certified Hand Therapist – Vancouver, BC

Full-time or Part-time Position

The Client

Burnaby Heights Physiotherapy is a well-established physiotherapy clinic serving the community for over 39 years. They have a terrific team of inspired therapists committed to teamwork, service, and community. They strive for a fun, professional work environment with opportunities for collaboration and clinical problem solving with other colleagues.

The Role

The CHT program has been running for 15 years, and we are seeking a permanent full-time or part-time Certified Hand Therapist to join our team and take on an existing caseload consisting of a mix of private, ICBC, and WCB patients. All appointments after the initial appointment are 30 minutes.

Requirements

To be considered for this role a candidate must be a Certified Hand Therapist (CHT) as designated by HTCC (www.htcc.org) and be a physiotherapist registered OR eligible to practice in BC, or an Occupational Therapist registered or eligible to practice in BC. We are seeking a CHT who works well within the team but who is also able to work independently with good people and communication skills. The successful applicant will have the ability to assess, treat and educate clients, along with the willingness to learn new skills.

We Offer

- Permanent full-time or part-time position
- Immediate existing caseload
- Competitive compensation – 150K+ for full-time
- Extended health benefits
- Relocation Allowance
- Signing Bonus
- Flexibility in work schedule, clinic is open 6 days a week from 7AM – 8PM
- Private treatment rooms, gym, and natural light
- Full reception and billing services
- Staff room with kitchen
- Online charting with Jane software

If you have the skills listed above and are open to making a change, then we are interested in speaking with you. Please send your resume in confidence to the attention of Michael O'Brien, our recruitment partner, at hnoconsulting@shaw.ca or call him to discuss at 604.760.7649.
