

## **Exciting Opportunity in Victoria BC for a Physiotherapist Interested in Hand Therapy**

### **About us**

Come join our dynamic team of Physiotherapists, Occupational Therapists and RTW Coordinator Kinesiologist with our well-established business in Hand Therapy. We have been servicing the Greater Victoria and area since 1983. We take pride in providing a comfortable work atmosphere conducive for excellent practice and on-going learning.

We are looking for either:

- One full time Physiotherapist to work out of both clinic locations in Victoria and Langford/Westshore – ideally 3 days in Westshore and 2 days in Victoria

Or

- Two part time Physiotherapists
  - 3 days/week in Langford/Westshore location
  - 2-3 days/week in Victoria location

Hours are flexible and variable Monday to Friday. Our offices are closed on weekends and statutory holidays.

New grads or therapists new to Hand Therapy are welcome to apply as well and those with experience. Ongoing mentorship and training are available, and we look forward to expanding our current staff knowledge that new team members bring.

### **Salary Range**

Salary is varied and dependent on scheduled appointments/hours worked and experience. Anticipated salary range for full time position is approximately \$80,000 - \$120,000+/year

### **What We Offer**

- Continuous mentorship skills development
- Comprehensive medical benefits
- 5 paid sick days/year
- Education fund to promote continuous learning
- Flexible hours
- Excellent administrative support
- Relocation fund and/or signing bonus
- Dynamic case load - including post-surgical clients, acute injuries, and overuse syndromes of the upper extremity
- High referral base – We regularly receive referrals from physicians, nurse practitioners, paramedical colleagues, Canadian Forces, WorkSafe BC and clients directly

**Job Description/Requirements**

- Full registration as a Physiotherapist with the College of Health and Care Professionals of BC (CHCPBC)
- Optional: Certification in Hand Therapy (CHT)
- Clinical and therapeutic assessments of clients needs
- Ability to communicate effectively and appropriately with clients and staff
- Ability to organize workload
- Implementing a comprehensive treatment plan for clients based on their individual needs
- Maintaining records for client treated according to college regulations
